## REMARKS

From SAG's vantage point, the implementing procedures seem to be working very well. This office becomes most involved with those dealing with the reporting of crimes (Annex F) and Counterintelligence (Annex D), which has been coordinated but is yet unsigned. Suggest a no comment response. We will have another opportunity later for review of any proposed revisions.

*This is ridiculous. we are asked to comment on 66 pages of procedure in 1 day. I think our response should be give us a couple of weeks to (over)*
